

Hamilton/Wenham Rod & Gun Club

## Application Instructions

### Please Read Them Carefully

Included with this memo please find a description of our Association and a blank membership application form. We hope you find them useful.

Please note that before acceptance into our Association, each applicant must be a current member of the National Rifle Association (NRA) and Gun Owners Action League (GOAL). In addition, successful completion of an approved gun safety course is mandatory. We will, however, accept a currently valid license to carry or FID card in place of the safety course completion certificate.

Carefully review the **Statements of Understanding** printed on the application form. Your application **will not be accepted** until we receive **all of the required information**. Copies of NRA/GOAL membership cards, course certificates and/or LTC/FID cards are appropriate. NRA publications usually include an address label on the front cover. A copy of the cover showing name, membership number and expiration date will get the job done as well. You may also simply clip out the address label and attach it to the application form.

As an alternative, you may join both the NRA and Gun Owners Action League (GOAL) by visiting their web sites. Web links are provided on our web site [HTTP://WWW.HWRG.ORG](http://www.hwrg.org). The links will connect you to the appropriate site. Just follow the directions shown by the respective organizations and you are home free. After enrolling, simply print the confirmation screen. We will accept these copies as proof of your membership. The amounts shown are subject to change. Please check with the appropriate organization for current pricing of membership.

If you have questions or require additional information you may contact us via our web site. Please send us a message and a club officer will respond to your inquiry in a timely manner.

Thank you for considering our club.

Sincerely,

The Executive Committee

## Hamilton/Wenham Rod & Gun Club

The Hamilton/Wenham Rod & Gun Club, Inc. is located on 8 ½ acres of land off Chebacco road in Hamilton, Massachusetts. We limit our membership but only to the extent that allows our members access to range facilities without any waiting lines. Our facilities include: a 100 yard rifle range with covered firing points and shooting benches, a 25 yard pistol range with enclosed firing points, a separate shotgun range with facilities for trap and limited sporting clays, a small stocked pond for catch and release fishing. In addition, we have two archery ranges; a field range and a woods range with a tree stand. Rifle and pistol facilities are wheelchair accessible.

Membership in the Club is open to any law-abiding American citizen who has reached the age of eighteen and one half years (18 ½). Similarly, we do not discriminate against any type of firearm . . . rifles, shotguns and pistols are all welcome on our range, as long as their owners follow the Club range rules, which are the basic rules of safety, common sense and courtesy.

Club meetings are held on the third Tuesday of every month at the American Legion Hall at 37 School Street (off Route 22) in Hamilton, MA. Meeting time is at 7:30 PM.

The Club stands wholeheartedly behind the safe and responsible ownership and use of firearms. To this end, we have set up a Basic Firearms Safety Course, which is held each month at our range. The course is open to Club members and non-members alike and is approved by all local law enforcement agencies for certification prior to obtaining a new or renewal handgun Permit to Carry.

As long as firearm ownership remains a political issue in this country, the Club has a political agenda. We believe in every American's right to keep and bear arms for all lawful purposes. We encourage our members to actively support this right and as an NRA affiliated club, we require all our members to maintain a membership in the National Rifle Association. We also require our members to maintain membership in Gun Owner's Action League (GOAL), the NRA's official lobbying group in Massachusetts.
